ABOUT SC-STARMAX

NINGBO SC-STARMAX IMP. & EXP. CO.,LTD. (SC-STARMAX) is a trading company specialized in consumer electronics and related products. The company is established in August 2018. Its head office is located in Ningbo, Zhejiang, with more than 40 staff working there, including 1500m² show room inside. In 2023, in order to expand more growth, we established new branch office in Shenzhen. In past few years, we have achieved tremendous turnover growth target and are still in the way of rapid development.

As a professional supplier, Starmax has engaged in electric and electronic category, including consumer electronics, lighting items, home appliance and beauty and wellness items, which has more than 5 years experience. As an innovative company, we also expands Pet product line to fullfill customer's need.

In production development, Starmax has strong ability and has helped customers develop several products. We have own designer team that are capable of customizing product design based on customer's requirement. From graphic design to 3D modeling, they all can be handled. And we have strong cooperative factory that can work out customer's design into real products. During the procedure, we will help customers provide unique solution that can realize customers' requirement on the product and also balance the cost of the items. There are also QA and QC team to ensure the quality of product and control the production to make it smoothly ship to customers.

In the past years, Starmax has been devoted to developing US and Europe market. Now there are many clients remaining deep cooperation with us. With various clients' cooperation and regular field investigation, we have own comprehension about US market and Europe market.

Starmax's company mission is to provide high-quality products with fast and customized services to customers. For that, there has been many successful experience proving it and we will continuously improve itself and provide better and better services to customers.
